

CYMDEITHAS Y MERLOD A'R COBIAU CYMREIG
THE WELSH PONY AND COB SOCIETY

SELF-DECLARATION OF OWNERSHIP FORM

To enable the Society to update your records and to check that all relevant transfers have been done for any animals you may have sold please complete the form on the reverse. This will allow the Society to make sure that your account is up to date and only holds the animals which are currently within your ownership.

If you have any animals that you have recently purchased, please also return their passports along with this form and the relevant transfer fee of £15 (member) £25 (non-member) per transfer to allow us to also complete these for you at the same time.

There is also an option on the form for you to request a DNA sticker for an animal that you know **has a DNA profile** recorded with the society. This sticker will be embossed with the society logo (to prevent any duplicate labels being produced) and can then be inserted in your passport. With the old-style passports this sticker **must** be stuck **on the first of the centred coloured sheets where the animals name, colour, UELN, parentage etc is detailed.**

On new style passports issued from early 2020 onwards the sticker **must** be placed on the **very last white page before the notes section under the DNA section.**

If you wish to have the DNA stickers to insert into your passports, please enclosed a stamped addressed envelope for the return of the stickers to yourself.

DNA stickers will be issued from May 2021.

If you currently own more than 12 equines you can **download additional forms** from the Society's website www.wpcs.uk.com/downloads or please contact the Society with the number of additional forms you require either via e-mail enquiries@wpcs.uk.com or 01570 471754.
