## President- Elect 2022 & President 2023 Nomination Paper

Nominations are being sought from members for a person who, over a sustained period, has been an effective ambassador for the Welsh Breed and the Society.

Members are invited to submit nominations and to vote for the President-Elect/President on a ballot paper to be circulated in the Spring mailing. The result of the ballot will be announced at the Annual General Meeting on Saturday 11<sup>th</sup> of December 2021.

The person nominated as President-Elect 2022 will become President of the Society in 2023 and play an important part in representing the Society at events throughout the UK during the Presidential year. The Society's President and President-Elect are invited to attend all Council and Standing Committee meetings and the President chairs the Annual General Meeting at the end of the term of office. The role of President is a prestigious and high-profile one that carries with it a high level of responsibility and expectation. It is an exceptional accolade within the Society.

A detailed document setting out the role and job description of the President is enclosed in this mailing.
