

### Body Clipping on Youngstock

#### 4.6 Trimming for Shows

It is acceptable for Welsh breeds to have their hair trimmed under the jaw line and protruding from the ears. **Animals 3yrs and under** must not be body clipped (see diagrams inside front cover)

4.6a Whiskers must not be trimmed. Following the FEI General Assembly held on 23 November 2020, a new rule that prohibits the clipping/shaving of sensory hairs was passed as part of the veterinary regulations. This has been implemented on welfare grounds.

The shaded area in this diagram highlights the **only** are where it is permissible to trim or clip.
